

HOW YOU CAN PARTICIPATE AS A SPONSOR IN THE WELLBRIETY MOVEMENT

It is anticipated that at least 250 people will attend. Denver is within 8 hours drive for more than 435,000 Native American people, 40,000 of whom live in the Denver Metropolitan area.

We are inviting you to join us in this effort to provide Native American communities with the resources to assist individuals and families in recovering not only from addictions, but also to help local communities identify resources for suicide prevention.
